- Graduate School homepage (<http://grad.inha.ac.kr>) > (English) > Admission > Admissions Guidelines > Online Application (click) > Online Application for Graduate Admission (a new window will appear) > New user (click)

2. Fill out information

- Check carefully 'Instructions for online application' on the homepage.
- Set your password first.(at the upper right corner)
- Must fill out * marked blanks.

3. Registration and having application number

- After filling out required information, click "registration" button. (at the upper right corner)
- Your application number will be assigned. (a 4-digit number)
- One applicant can hold only one application number. The double registration will be rejected based on the applicant's email address record.
- Postal address must be written correctly because the certificate of admission will be sent to the address if you become successful applicant. If addresses are incorrect, applicants can be in trouble when applying Visa and must take responsibilities for that.

4. Jungseok International Scholarship application

- After registration for application, click "scholarship application" (at the upper right corner)
- A new window will appear.
- Check whether you are eligible for scholarship application or not, then click the "registration" to complete scholarship application
- "Print" (at the upper right corner) the scholarship application form out and submit it with your signature to the graduate school office.

5. Print the application form

- Print (at the upper right corner) your application form out after completing scholarship application.
- Leave your signature and submit it with your other application documents to the graduate school office.

-
- ♣ After completing the application form, if you need to modify your information, log-in with your application number and password. Each time you make any change, click the registration button to save the change.
 - ♣ Please remember your 'application number' and 'password' to check your admission result afterwards.
 - ♣ Do not miss the blanks without "*" mark, if you have some information about them. Especially the blanks for passport number and foreign ID number should be filled out, if you have a passport or a foreign ID card
