

Tokyo Tech-AYSEAS 2017

Tokyo Tech-Asia Young Scientist and Engineer Advanced Study Program 2017
Advanced Study Program organized by Tokyo Institute of Technology, Japan

Announcement for students of member universities in Thailand, the Philippines, Singapore, Indonesia and Vietnam

- **OBJECTIVE**

To provide a joint study program for students from Tokyo Tech- AYSEAS member universities in Japan, Thailand, the Philippines, Singapore, Indonesia and Vietnam.

Participants can learn much from the dynamism of fast-growing Asia in industry, education and governance through discussion and communication with students from different backgrounds. Tokyo Tech-AYSEAS is the successor to the Japan-Asia Young Scientist and Engineer Study Visit (JAYSES) program, which ran from 2007 to 2012.

- **PROGRAM**

11-day study visit to the Philippines (**Manila**)
(September 11 – September 21, 2017)

- (1) **Site Visits:** Participants will visit Philippine and Japanese companies, government organizations, educational facilities, and research institutes, etc.
- (2) **Discussion:** The participants will separate into several groups to exchange opinions on selected topics.
- (3) **Presentation:** Each group will prepare a presentation after the discussion.

- **TOPICS for DISCUSSION**

Main theme: "From Asia to the World"

The discussion topics for Tokyo Tech-AYSEAS 2017 will be announced on the first day of the program.

Example of discussion topics from Tokyo Tech-AYSEAS 2016 in Thailand:

- Motorization and traffic jams
- Development of energy resources and protection of environment
- Education and industrial management
- Innovation and regional/global competition
- Cultural differences and understanding of different cultures

- **BENEFITS for the PARTICIPANTS**

- (1) Make friends in other countries and establish an international network
- (2) Learn about relations among Asian countries
- (3) Receive a program certificate
- (4) Experience a truly international study abroad program

- **MEMBER UNIVERSITIES**
