

## Partner Universities for Single Degree

Partner University	
Monash University	Osaka University
The University of Queensland	Shizuoka University
Curtin University (CUT)	Kagoshima University
Queensland University of Technology	Nagaoka University of Technology
University of South Australia	Technische Univesiteit Eindhoven
Universite De Bretagne Sud	Korea Institute of Industrial Technology
Universite de Rennes	National Taiwan University of Science and Technology (NTUST)
Technical University of Munich (TUM)	Cardiff University
TU Darmstadt	Imperial College of London
Universitat Duisburg Essen*	University of Strathclyde
University of Tehran	The University of Missouri Kansas City
Peter the Great St. Petersburg Polytechnic University	Oklahoma State University
Thammasat University	

\* On tracking of the progress with FT

\*\*Other universities can be added according to the study abroad opportunity

## Partner Universities for Double Degree

Study Program	Partner University
Civil Engineering	Queensland University of Technology
	Deakin University
	Monash University
	Univ. Duisburg Essen
Mechanical Engineering	Queensland University of Technology
	Univ. of Queensland
	Monash University

Electrical Engineering	Queensland University of Technology
	Univ. of Queensland
	Univ. Duisburg Essen
Architecture	Curtin University
	Queensland University of Technology
Metallurgical & Materials Engineering	Univ. of Queensland
	Monash University
	Curtin University
	Univ. Duisburg Essen
Chemical Engineering	Univ. of Queensland
	Monash University
	Curtin University
	Curtin University (Sarawak)
	Queensland University of Technology
Industrial Engineering	Univ. of Queensland

## Available Scholarship\* Double Degree

- UQ - EAIT Scholarships:**  
 AUD \$ 10.000 for top performing engineering students for each study programs.
- QUT Merit Scholarship:**  
 25% reduction in tuition fees for the duration of their study for all students with a minimum GPA of 3.3 (out of 4.0 scale).
- QUT Merit Plus Scholarship:**  
 Additional 50% reduction in tuition fee for students with the highest GPA
- Monash University Scholarship:**  
 AUD \$ 4.500 per semester for the first three semesters with additional AUD \$ 4.500 for the last semester if they achieve a minimum of 80% average mark across their first three semesters in Monash.

\* Subject to change based on partner university's policy

## About Faculty of Engineering Universitas Indonesia

In 2021, Universitas Indonesia was ranked as number 305th in the world, and 59th in Asia based on the QS World University Ranking. As the largest faculty, Faculty of Engineering (Fakultas Teknik) Universitas Indonesia consists of 7 departments with 13 undergraduate programs, 12 master programs, 2 professional programs, and 7 doctorate programs. In 2021, FT UI was ranked as number 295th in category of Engineering and Technology based on the QS World University Ranking. With over 75% of the 245 faculty members holding Ph.D degree and 67 professors. Taking in around 7000 students and graduating 1500 graduates every year, FTUI grooms itself to excel as the nation's pride and able to compete in South East Asia and currently held the title as receiving largest research funds in the university.

## Single Degree Program

Students will be awarded a bachelor degree from UI (Sarjana Teknik or Sarjana Arsitektur). Students in this program are obligated to spend a minimum of one semester in one of the many partner universities that the faculty has education cooperation with. The list of partner universities from which the students can choose from are available for viewing and consideration at: [international.ui.ac.id/networks.html](http://international.ui.ac.id/networks.html).

## Double Degrees Program

Students who take double degree program are awarded a double bachelor degrees from both Universitas Indonesia and our partner university. Both degrees are obtainable within four years without additional study time. The double degree program is designed for students to complete the first 2-3 years in FT UI and the final 1-2 years in one of our partner Universities.

## Fast Track Program (Single Degree)

International single degree program students with above average academic achievement (min. GPA of 3.50 by the end of their 6th semester) are eligible to apply for the Fast Track Program. The Fast Track Program allows students to integrate their Bachelor and Master Program in 5 years time (10 semesters).

### Language Requirements

- International Undergraduate Programs use English as the medium of instruction. For the degree completion, students are required to transfer to partner university, normally, at the final years of study.
- In general, candidates must meet requirement of obtaining an ETS certified TOEFL (<http://www.ets.org/>) with a min score: PBT/ITP min.500; iBT min.61; CBT min.173 or IELTS (<http://ielts.org/>) with a minimum score of 5.5.
